ABOUT US

The SKINMEDISPA is a cosmetic, medical day spa that offers innovative, nonsurgical treatments for facial and body rejuvenation. Treatments are customized to correct, restore and maintain the health and appearance of your skin, and to maintain and prolong the results of cosmetic surgery.

Treatments are performed by licensed, clinically-trained, physician-supervised professionals. We use skin-care products that incorporate the latest technological advances in anti-aging, complexion correction, cleansing and hydration to help you look your best.
